

CLAIBORNE MEMORIAL MEDICAL CENTER
Nursing Department
Job Description

REGISTERED NURSE – EMERGENCY DEPARTMENT

STATEMENT OF PURPOSE:

To provide support for the mission and vision of the hospital through your actions, attitudes, and personal conduct as a team member of your department, an employee of the hospital, and a contributor to the health and wellbeing of the patients we service; to provide the duties outlined in this job description to the best of your abilities; and to strive for excellent service to your customers.

JOB SUMMARY:

Provides professional nursing care within the Emergency Department. Communicates with Emergency Department physicians and practitioners about changes in patient's status, symptoms, and results of diagnostic studies. Is able to respond quickly and accurately to changes in condition or response to treatment.

GENERAL DUTIES:

1. Support your manager and administration in the implementation of the hospital's mission, vision, and overall goals.
2. Actively participate as a member of your department by providing excellent customer service, identifying areas for improvement and implementing operational changes.
3. Assist your department in providing efficient and effective patient care by actively participating in the orientation process, your department meetings, available educational events, personal performance evaluations and focused counseling opportunities.
4. Promote high standards of performance by exhibiting compassion and professionalism at all times and by being responsible for your actions, attitude, and body language.
5. Communicate in a timely and effective manner using multiple communication mediums. This includes notes, e-mails, phone calls, one-on-one interaction, and participation in meetings.
6. Support performance improvement monitoring by collecting data, reporting incidents, identifying patient care problems and providing performance information to your manager.
7. Assist your manager in meeting departmental budget goals, identifying capital equipment needs, and developing new strategic goals for the department.
8. Follow all departmental and hospital policies. Request clarification and guidance if needed.
9. Keep track of equipment and supplies to make sure your department retains the tools needed to provide patient care and to assure departmental resources are used wisely.
10. Manage your time to assure you clock in and out as scheduled, complete your assignments within the scheduled timeframe, and minimize changes in the departmental work schedule.

SPECIFIC DUTIES:

1. Provides direct patient care, evaluates outcomes, consults with other staff and providers as needed and adjusts nursing care processes as indicated to ensure optimal patient care.
2. Ability to perform head to toe assessments on all patients and focused reassessments as needed.
3. Demonstrates knowledge of homodynamic and cardiac monitoring and treats accordingly.
4. Maintains accurate and continued nursing documentation.
5. Treats patients, visitors, and staff with respect and dignity. Acts as liaison between administration, patients, physicians and other healthcare providers.

6. Prepares and reviews discharge instructions with patients and families.
7. Prepares, hangs, monitors, and discontinues IV fluids as ordered.
8. Maintains a clean, stocked, organized work area.
9. Responds promptly to changes in workload, adjusts assignments as necessary to achieve optimal productivity and efficiency.
10. Supervises employees; leads one or more employees performing similar work; assists providers with procedures.
11. Assumes additional duties as assigned by the Department Manager.

REQUIREMENTS/QUALIFICATIONS:

1. Graduate of an accredited school of nursing.
2. Required to maintain a current Registered Nurse license in Louisiana.
3. Required to maintain a current certification in BLS, ACLS, PALS and CPI. If not current in ACLS, PALS, and CPI upon hire, the employee must obtain certification within 6 months hire. TNCC and ENPC are not required, but are preferred.
4. Required to participate in annual Infection Prevention education.
5. Required to follow Infection Prevention guidelines (i.e., proper use of isolation precautions, proper use of PPE, etc.)
6. Required to follow all Employee Health protocols (i.e., annual TB skin test, annual flu vaccine, annual employee physical for benefits, etc.)
7. Required to attend all mandatory inservices including departmental meetings.
8. Required to be a role model and support person for LPN's and CNA's.
9. Required to participate in monthly PI.
10. Required to have basic computer knowledge.
11. Required to have the ability to communicate effectively in English, both written and verbally.
12. Required to pass pre-employment drug screen and random drug screens.
13. Required to maintain moderate sedation education every 2 years.
14. Required to participate in annual restraint education.
15. Required to complete annual education courses. (i.e., HEAT, OmniCell, and Ethics)

PROFESSIONAL REQUIREMENTS:

1. Adheres to dress code, appearance is neat and clean.
2. Completes annual education requirements.
3. Maintains regulatory requirements, including all federal, state, local regulations and accrediting organization standards.
4. Maintains and ensures patient confidentiality at all times.
5. Reports to work on time and as scheduled, completes work within designated time.
6. Wears identification while on duty, uses computerized punch time system correctly.
7. Completes inservices and returns in a timely fashion.
8. Attends annual review and department inservices, as scheduled.
9. Attends at least 10 staff meetings annually, reads and returns all monthly staff meeting minutes.
10. Represents the organization in a positive and professional manner.
11. Actively participates in performance improvement and continuous quality improvement (CQI) activities.
12. Complies with all organizational policies regarding ethical business practices.
13. Communicates the mission, ethics and goals of the hospital, as well as the focus statement of the department.

STAFFING/SCHEDULE:

Schedules are provided for each department in a four (4) week time frame. Depending on needs of the department (i.e., census, employee illness, vacation requests, etc.) staff may be asked to work other shifts to cover the department with the appropriate number of staff. This includes:

1. Working shifts that are not the employee’s normally scheduled shifts.
2. Working departments that are not the employee’s normally scheduled department.
3. Working times that are not the employee’s normally scheduled time (i.e., 7a – 7p, 7p – 7a).
4. Taking call for the unit – Call means that you do not report to work unless the need arises and you are notified that extra staff is called to work. Taking call means that you are available for a set time frame, normally a 12 hour shift, and that you can report to work within 30 minutes after notification, and will work the shift or until the need for extra staffing has been fulfilled.
5. If asked to work a different shift or to take call, the employee will be paid according to the facilities set shift differential and call pay rates.

PHYSICAL DEMANDS:

1. Walking and/or standing approximately 80-90% of the day.
2. Sitting approximately 10-20% of the day.
3. Must be able to lift up to 40 lbs. (no less than 20 lbs.) less than 30% of the day.
4. Must be able to bend, stoop, kneel, and reach over the head less than 10% of the day.

DISCLAIMER:

This is not an exhaustive list of all responsibilities, skills, duties, requirements, efforts or working conditions associated with the job. While this is intended to be an accurate reflection of the current job, management reserves the right to revise the job or to require that other or different tasks to be performed when circumstances change.

RESPONSIBILITY:

The Emergency Department RN is directly responsible to the Emergency Department Nurse Manger.
